Dear Silver Shekel Property Owner,

We are pleased to announce that the Association has a new website at www.silvershekel.org. **Note the new URL.** The new site has a more modern look and user interface, there is no log-in required and it costs substantially less than our old site.

All of the content is the same except there is no Directory function. This could be added; however, many people do not wish to have their contact and other personal information published, even for members only.

Please have a look and let us know what you think. Would you like to see anything added or changed?

Thank you,

Silver Shekel Owners Association
Board of Directors

PS, we will leave the old site up for a few days, and then point the old URL (www.silver-shekel-net) to the new site.
