Saturday July 9, 2022

Clean Up Day, 8:00 -12:00 am

Annual Meeting and Barbecue, 4:00 pm

Clean-Up Day:

Again this year we will have three roll-off dumpsters for use by our residents. They will be placed on the roadside in each of the filings near 342 Fairview Blvd., near 502 Shekel Lane and near 121 Silver Circle. The Fairview dumpster will be placed around 8:00 am, and the other two immediately following. Dumpsters will be removed in the same order starting at noon.

- The dumpsters can be used to discard anything that can be placed into the Summit County landfill. **No hazardous waste (such as tires, batteries, paint, petroleum products) or electronics (TVs, computers, printers, scanners, etc.) will be allowed in any of the dumpsters.**
- The County will recycle electronics and household hazardous waste and electronics at no charge for County residents at the Summit County Resource Allocation Park (SCRAP) site near Keystone. [Click here for hours, directions and more info.](#)
- **If you have normal recyclables, please take them to the Summit County Recycling drop-off** on Coyne Valley Road or at County Commons in Frisco.
- Tree trimmings and other slash will be allowed in the dumpsters after 11:00 am.
- The dumpster on Shekel Lane will accept large appliances, except refrigeration units. Refrigeration units must either be (1) hauled to the Summit County landfill after having the coolant professionally drained, or (2) removed by Xcel Energy. Xcel will haul off working units and even give you a \$50 rebate! ([Click here for details.](#))

Please take the opportunity to police the right-of-way next to the road along your property and clean up debris that may have accumulated over the winter. Thank you!

Annual Meeting and Barbecue:

As a reminder, please plan to attend the Annual Meeting and Barbecue at 4:00 pm at 481 Fairview Blvd. We will hold an election for up to four board seats. There are two incumbents and two openings since our maximum number of Board members is eleven. If you are interested in joining the board as a director, [please let us know](#). We will also be voting on a resolution to change the By-Laws to decrease the quorum requirement for annual meetings from a majority to 20% as explained in our [email on May 31, 2022](#).

If you cannot attend please send your proxy to board@silvershekel.org. Your proxy form was emailed to you on June 1. [Click here to see the form.](#) Without a majority we cannot elect the board members or change the By-Laws.

After the meeting we will enjoy a great barbecue catered by Del Anderson.

Sincerely,

Silver Shekel Owners Association
Board of Directors
