SS

Silver Shekel Residents,

The contractor for the Shekel Lane repaving project, Columbine Hills, is expecting to start work the week of October 12. You should not have significant problems accessing your homes except during the time that actual work (excavating, paving, etc.) is being done at your property.

There are details about the project in the County's [bid document](#).

Your patience during the process will be much appreciated. By the end of the month we'll have a new, smooth street!

Thank you,

Silver Shekel Owners Association  
Board of Directors
