Silver Shekel Owner's Association Members,

Local towns and Summit County government are considering changes to our trash and recycling services. High Country Conservation Center is hosting two virtual forums to help residents understand possible upcoming changes. They will answer your questions and seek input to make sure these new programs work for Summit County.

The virtual forums are Thursday, January 13 and 20th at 6:00 pm.

[Click here](#) for more information and to register for the forums.

There is another forum for businesses on Wednesday, January 19th at 10:00 am.

Sincerely,

Silver Shekel Owners Association
