Silver Shekel Property Owners,

Summit County is participating in National Radon Action Month by offering **free radon test kits**. Radon is a colorless, odorless radioactive gas that is present in almost all homes in Summit County and here in Silver Shekel. Radon has been shown to increase the risk of lung cancer. You can [read more here](#).

You can test your own home for the presence and concentration of radon in Summit County. Test kits can be picked up at the Summit County Medical Office Building, Monday thru Friday, 8:00 am to 5:00 pm at 360 Peak One Drive, Frisco, CO or at Environmental Health, County Commons Building, 037 Peak One Drive, Frisco, CO.

Sincerely,

Silver Shekel Owners Association
