Bear Activity in Silver Shekel

Dear Silver Shekel Residents,

We have had a couple of reports from our residents that the bears are very active right now, especially very early in the morning. We want to remind everyone once again of the following:

- Do not feed the bears with your garbage, pet food, bird feeders, etc.
- Use bear-proof trash cans or do not put trash out until the morning of pickup.

If you see a bear, do your best to chase it away by making noise. Yell, blow a whistle, clap your hands, honk horns, bang pots, etc., trying to make them uncomfortable being in our neighborhood. But **never approach or corner a bear.**

Thank you!

Sincerely,
