Results of the Silver Shekel Members Opinion Survey

Dear Silver Shekel Property Owner,

The response to the Members Opinion Survey was fantastic. There were 125 residents that participated.

[Click on this link to see the results.](#) This information is extremely valuable for the Board of Directors as decisions are made about the Summer Road and the other items in the survey.

Based on the survey, the Board will be reconsidering the solutions for the Summer Road.

Thank you for participating.

Sincerely,

Silver Shekel Board of Directors
