

### *Spring Update*

Dear Silver Shekel Property Owners,

Here is an update on Silver Shekel's current and upcoming activities:

#### **Summer Road:**

We have applied for a CWPP (Community Wildfire Protection Plan) grant to repair the Summer Road. The project would consist of repairs to the drainage (culverts and ditches) and the road surface and the addition of warning signs at the top and bottom. We hope to get a large enough grant to avoid any assessment. Although we will not be paving the road because of the cost and other factors, the road should be usable as an emergency egress and in adequate condition for normal vehicles with yearly grading. We should know if we are successful by early June.

#### **Chipping Program:**

Summit County is conducting their Chipping Program again this year to help residents remove trees and brush from their properties. Silver Shekel is scheduled for the first week, **June 5-9**. [Click here formore details](#).

#### **Mailboxes:**

Thanks to the efforts of board members Nick Teverbaugh and Ken Mace, along with the cooperation of the Breckenridge Post Office and our carrier, we have finally been able to re-assign unused mailboxes. If you need a mailbox, [contact Ken](#).

#### **Clean-up Day:**

Our annual Clean-up Day will be **Saturday July 8** from 8:00 am until noon, with roll-offs in the usual locations on all three filings. More details will follow in June.

#### **Annual Meeting and BBQ:**

Our Annual Meeting will be on **Saturday July 8th at 4:00 pm**. at Craig and Dawn Lukos' home at 481 Fairview Blvd. The agenda will include an election of Board members so if anyone is interested in joining the Board, [please let us know](#). Board membership is an excellent way to become involved with community activities and contribute your talents to the neighborhood. Details will follow in June.

#### **SSOA Members Opinion Survey:**

In February we conducted a survey to gauge the opinions of Silver Shekel owners about the summer road and other topics. It was very successful and helped guide the direction of our plans, especially the for the Summer Road. Thank you for participation. If you haven't looked at the results, they are posted [here](#).

Sincerely,

Silver Shekel Owners Association  
Board of Directors
