The Summer Road Is Open

Dear Silver Shekel Property Owners,

The repairs to the Summer Road have been completed, thanks to the grant from the Summit County Community Wildfire Protection Program and timely work by the contractor, G&G Services.

It is still a very steep gravel road with a tight switchback, so please **drive slowly** to help keep in good shape and passable by normal cars.

Driving large trucks and trailers on the road is dangerous and none should be on the road. So we will be installing signs at both ends of the road to warn people.

Sincerely,

Silver Shekel Owners Association
Board of Directors
