Attention Dog Owners

Dear Silver Shekel Dog Owners,

Spring is almost here and it's time once again to talk about dog poop.

Almost all of our resident dog owners are responsible and courteous to their neighbors, cleaning up after their pets and not letting them roam off leash.

Unfortunately, we have a few owners or renters that are just the opposite, not taking their pet ownership responsibilities seriously. **Please clean up after your dog and do not allow them to roam off-leash.**

If you are renting your property or have guests with dogs, please make sure they are aware that the community expects pet owners to act responsibly.

Summit County has leash laws and owners can contact Animal Control to report off-leash dogs. Call (970) 668-8600.

Thank you,

Board of Directors
Silver Shekel Owners Association
